

Dear Jayne,

How ya doin? It's been a pleasure trip in Innes last time. Watching the surfers swimming with the dolphins, the bush walking, and not to forget the Ausie Barbeque.
Even though it's only a short while, but you and Rico really make me feel at home.

Thank you for inviting me to join in the fun, but i just have to passed it this time.

Wishing you all the best, have fun and have a happy driving.
