

Dear Rosemarie,

We had a wonderful experience at last weekend in KI. Thank you for organising this exciting trip. It is really worth to go. Our life is enriched by lots of interesting activities which held by EDUCATION ADELAIDE. I had been receiving emails from Education Adelaide (Study Adelaide) for 5 years since I studied certificate course and undergraduate course in TafeSA and UniSA. Now, I started again to receive email from you when I enrolled my postgraduate course in Uni after I stoped study for 1 and half year. I am happy to became a student and hear from Education Adelaide again. Thanks!
