

Hi Jayne

Thank you for arranging such a beautiful trip. You are so nice as well as Mark. Natural scenery, mountains, rocks, campfire, stars, sunset, sunrise..... I am missing Flinders Ranges now, I never expect to see such a good scenery and know many friends from different countries. It's amazing. I still feel I am there. I told my home stay our experience and show photos to them. I am so excited till now. Miss you and everyone. Night night.
