

THE UNIVERSITY  
of ADELAIDE

05 June 2020

### To Whom It May Concern

Study Overseas at the University of Adelaide has worked with Words on Wheels in 2019 to provide customised tours to the Barossa Valley and Kangaroo Island for Exchange and Study Abroad students attending the University's Winter School program.

In 2020 Words on Wheels was going to run tours to the Barossa Valley and to Innes National Park for Winter School participants, but unfortunately the program had to be cancelled due to COVID-19.

In addition to these tours Words on Wheels has offered trips for international students at the University of Adelaide to various locations in South Australia for a number of years.

I am happy to recommend Words on Wheels to anyone looking for a tour company that can tailor trips to customers' needs at competitive rates and provide a very positive travel experience.

Your sincerely

Jan Schmorte  
Inbound Study Abroad & Exchange Team Leader
