

**University of
South Australia**

11/06/2020

To Whom it May Concern,

UniSA International has used Words on Wheels for tourism activities for numerous high-level international delegations and have always been impressed with Jayne's professionalism, ability to connect with our visitors and willingness to adapt programs to the needs of our groups.

We would not hesitate to recommend Jayne for a tailored and engaging tour for international visitors.

Kind regards,

Alice Whiteway
