TO WHOM IT MAY CONCERN

Reference for: Ms Jayne VAUGHTON
Words on Wheels

I have known Jayne in a professional capacity for the past 5 years as she has organised tours to Kangaroo Island for our international students.

Jayne has been *exceptionally* consistent with:

- the quality and high standard of her tours
- being extremely reliable and professional in her dealings with CELUSA staff and students
- her practical, organised and very capable approach to dealing with the management of her tours
- her excellent knowledge in leading the tours
- demonstrating her positive energy, enthusiasm and assistance with our students to ensure that they have a memorable experience

In summary, it is a great pleasure to know and deal with Jayne on all levels. She has made a great success of her business in our view and CELUSA would have no hesitation in highly recommending Jayne.
